

Committee on Events Coordination

Mission

The Events Coordination committee aims to engage a broad audience of individuals and promote the value of participating in standards.

Charge

The committee is formed with the primary responsibility of assisting in the coordination and development of the Women in Standards Annual Dinner and other events as relevant.

The work of the committee is supported through member feedback surveys, outreach, and communication discussions. The membership includes individuals from the standardization community, stakeholders, and other interested parties.

Rules on committee member eligibility and participation and the conducting of committee business is addressed in the Women in Standards Committee Bylaws.

Key Responsibilities of the Committee on Inclusiveness in Standards

1. Identification of potential speakers or event topics.
2. Planning of the Annual Dinner and associated events.
3. Assisting in event activities to include logistics, development of materials, moderating panels, day of hands-on support, and more.
